ORDER

This matter comes before the Court on Plaintiff's Motion to Seal [DE-95] which asks this Court to seal Defendant's Response to Plaintiff's Motion for Preliminary Injunction [DE-54]. Defendant consents to this Motion. The Court finds that Defendant's Response to Plaintiff's Motion for Preliminary Injunction contains confidential customer and sales information which could be harmful to Plaintiff if revealed to the marketplace. This risk of harm outweighs any public right to access and the alternatives to sealing are inadequate. For the reasons set forth in Plaintiff's Motion and pursuant to the Court's Joint Protective Order, the Court finds good cause to grant Plaintiff's Motion to Seal.

This the 1st day of December, 2010.

DAVID W. DANIEL
UNITED STATES MAGISTRATE JUDGE
